Ottawa City Councilor Diane Deans has called a brief Special Meeting of the Ottawa Police Services Board for 4:30 p.m. today to specially discuss the Service's ability to provide adequate and effective policing to the residents of Ottawa. You can watch here:

There was an injunction hearing this afternoon to try and stop the honking from the convoy protest. The Justice is adjourning until Monday to give more time to the lawyer for the trucker organizers to prepare a defence. In the meantime he suggests both sides work out a solution.
